

The old song

Corona,
Coronata
The disruption

Future music canvas

Anticipation

Crowd group i
mprovisation

The new
song

Anchoring
the new
song

Titel

Refrain

Appreciation

Letting go

Learnings from the crisis

New possibilities

Longing

The new song has to do
something with

How my personal song will
interweave with the song of
the world

Melody

So I invite the new song
here today:

This is how I notice that the
new song is playing:
